Your Honor Judge Kollar-Kotally,

As a concerned citizen, I urge you to reject the proposed final judgment in the Microsoft anti-trust suit. Microsoft is a monopolist, as every court has determined, and this settlement would do nothing to prevent further illegal use of their power. The loser here is the American consumer and the high tech industry.

The proposed settlement also allows Microsoft to retain virtually all of its ill-gotten profits. Therefore, I ask that you rule against this pro-Microsoft final judgment.

Sincerely,

Timothy P. Shea
